Sir:

The above-identified application became abandoned for failure to file a timely and proper response to the Notice of Allowance mailed on June 25, 2008, which set a three month period for response. However, review of the file and docketing reports of the firm of the undersigned indicates that this Notice of Allowance was never received in our office.

For the convenience of the Patent and Trademark Office, attached is a copy of the docket record for all incoming mail from the PTO from June 26 to July 3, 2008 indicating where in the docket report the non-received Notice to file Corrected Application Papers would have been entered had it been received and docketed. Also attached is a Declaration of the Docketing Manager stating that the June 25, 2008 Notice was not received.

Applicants hereby petition for withdrawal of the Notice of Abandonment of this application and re-issuance of the Notice of Allowance.

Respectfully submitted,

**DECLARATION OF JOSEPH BERRY**

Commissioner for Patents  
PO Box 1450

Sir:

I, **Joseph Berry**, declare that:

1. I have been employed in the Docketing Department of the firm of Staas & Halsey since March 15, 2000, and my title is Manager of Docketing Department.

2. I am directly responsible for docketing all incoming USPTO correspondence, and for making note of such correspondence and the due date for any response due, by the Docketing Department.

3. During the regular course of business, the USPTO mail received at Staas & Halsey is first opened and date-stamped, and separated into a specific file. The USPTO mail file is then passed directly to me in the Docketing Department. I check each piece of USPTO mail against our Docketing database by docket number and serial number. Any USPTO correspondence, which requires a response, is docketed in our Docketing database. Only then is the correspondence passed to the responsible attorney.

4. Attached hereto is a copy of our docketing records, which were used by the Firm at the time of the transactions, in question. According to the Docketing Department's records, our department did not receive a Notice of Allowance dated June 25, 2008.

5. I further declare that all statements made herein of my knowledge are true, and all statements made herein on information and belief are believed to be true; and further that these statements have been made with the knowledge that willful false statements and the like so made punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statement may jeopardize the validity of this application and any patent issuing hereon.
